

# SECURITY SHOE COILS *BY SE-KURE*

- Easy To Install
- Easy To Remove With The Special Removal Tool
- Customers Easily Try Shoes On
- Available With & Without EAS

– Available in 3 Styles –

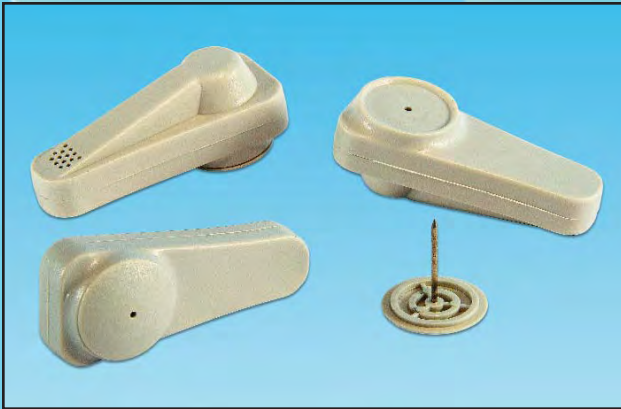

The Se-Kure Security Shoe Coils are quick and easy to install. The wire simply slides through the lace eyelets and an EAS attachment or Cable Clutch slides onto each end. Removal of the Security Shoe Coil is also quick with a tap of each end onto the removal tool.
