Standard T6 & T12 Alarm Modules

36% Smaller
than the
Standard
Size

Mini
SK-T6M &
SK-T12M
Alarm
Modules

The **T-Series Alarm Modules** are available in our traditional standard size, with 5v and 2.5 Amps of power and as a Mini version with a much smaller footprint. All come with a power supply and the Mini alarms also come with 1/2 "AA" Lithium batteries. The standard and power versions require (6) "AA" batteries (not provided). They can be used with any of Se-Kure's full line of sensors and electronic recoilers®.

T6 & T12
Modules with
5 Volt USB
Port Power
