

NOTEBOOK SECURITY DEVICES

Double Bar & Lock Systems

These two double bar & lock systems are simple, effective and inexpensive. They are composed of two "L" brackets that make up the sides, two bars that fit around the notebook screens, and a lock assembly that holds the notebook securely. The SK-99-730 is the basic model and the OD-99-730 is designed to fit 16" or 19" metal shelving with 1" on center holes and includes additional hardware.

ITEM NO.	DESCRIPTION
SK-99-730	Notebook Lock-Down Device (For Notebooks up to 14" Wide)
