Creative Spotlight - Display Security/Anti-Theft Systems

The SK-665 Evolution is a brand new Smart Phone Lock Down Device from Se-Kure Controls® that offers maximum protection for expensive smart phones or display tablets. No Tools Are Required to remove or install Display Merchandise on the device after size has been set. Produced in black anodized aluminum, the SK-665 fits both standard & plus size Smart Phones and mounts to your display with only 2 bolts and nuts. For more information, contact Se-Kure Controls, 3714 Runge St., Franklin Park, IL 60131; www.se-kure.com.
