

# PROTECT WHAT PROTECTS YOU

## Presenting the: Fire Extinguisher Alarm

This battery-operated alarm secures your fire extinguishers by sounding a loud alarm if it's removed, ensuring it is available for actual emergencies.

### SP-101 Kit includes:

Alarm Module, Sensor, Adhesive, Beaded Strap, Allen Key, & Alarm Keys.

- Discourages tampering, misuse, or theft.
- If the extinguisher is removed from the wall, the Alarm will sound.
- The Alarm will sound if the sensor is removed.
- 1 year battery life.
