

Clean Display, Strong Security

The **Locking J-Hook** protects your products on display.

Three Ways to Mount

Grid Wall Bracket

Securely mounts to standard grid wall display systems.

1" Pole Bracket

Mounts onto existing 1" Pole found in most retail environments.

1" Pole Mount

Stand alone mount for new fixtures or installs.

Why Stores Love This Device

- Protects inventory on display.
- Keeps displays tidy.
- Key gives staff fast access to items.
